SPEIRS MAJOR

Providing a soft, seamless light effect, as well as the ability to produce both beautiful pastel shades and intense, saturated colour; all of which can be gently animated. The design was developed in close collaboration with The Light Lab, who also manufactured and installed the feature.

SPEIRS MAJOR

From March 2015 until the end of May 2015 we ran our own immersive light art piece called HALFLIFE in the tunnel. The piece was designed to constantly evolve, creating an ever-changing experience for the users.
